2. Treat all players as you would like to be treated
3. Play for the FUN OF IT, not just to please parents/coaches
4. Play by the RULES

Keeping you safe

Before beginning you should take note of a few points that will keep you and your friends safe while playing golf.

- Whether you're on the practice area or the course it is important to take a look around you and make sure you can make a swing without hitting anyone or anything with your club.
- Make sure there is no-one standing where you plan to hit your ball.
- If the ball is going near someone shout FORE to warn them. They will duck down and cover their head.
- If it is not your turn, stand quietly and very still by not moving or talking.
- **Do not go near or into any of the water on the course to retrieve a ball.**
- Members under 10 years old **MUST** be accompanied by an adult member on the golf course
