22nd July 2020

Dear Member,

Thank you for your continued support during these troubled times.

Due to Covid 19 our financial situation is extremely volatile, but for the good will of you the members and volunteers it would have been difficult to survive this period. Your recent support of competitions and open week has been really appreciated.

With the full support of the board and General Manager Darren, we've been able to survive to this point.

We call on every member to put in a team and help make the Nudie Classic a great success. For those who are unable to play, we kindly ask for your support and donations. We also ask kindly if every member could try and secure a tee sponsor at €100. To secure a team or tee sponsor please contact the office.

Your support will not only support Concra but Castleblayney Cancer Society and to honour Nudie for all his fundraising and hard work around Concra over the years.

I'd like to thank you in advance as Captain for your significant efforts and also a special work of thanks to the committee for all their hard work.

Kind Regards,

Club Captain – Thomas Brennan
